

Corton Brownies

1st Corton Brownies have moved from the primary school and are settled in the small community room at the playingfield pavilion. We have been made most welcome there and have a lovely large cupboard to store our stuff. We have 10 Brownies currently and most of them are from outside Corton. We have plenty planned for the coming summer term, with litter picking, parties, pond dipping at Carlton Marshes, badge work, a stall at the jubilee celebrations, various activities with other Brownie units in the district.
