

TEXTILES GROUP – REPORT TO ANNUAL PARISH MEETING – MAY 2021/MAY 2022

With the easing of Covid restrictions we were finally able to resume our meetings in July 2021, and it was so good to be able to meet up again, albeit whilst keeping up social distancing. It didn't seem to inhibit the chatter though, and it was interesting to learn about projects that had been undertaken during the various lockdowns. A wide variety of needlecraft work is carried out by individual members, and everyone is glad to share their own particular knowledge with others in the group – so there is always the chance of learning something new. We are also very lucky in that several members are very good bakers, so we do enjoy some lovely cakes with our cups of tea. New members are always welcome to join us at our meetings on alternate Wednesday afternoons.
