Thelma Dickinson (unpaid ex clerk) taking the minutes on behalf of Clerk Jane Haverson.

Register of Interest
None.

Minutes of December Meeting
Confirmed by Cllr M Boughton and seconded by Cllr B Groome Unanimously agreed and signed by The Chairman S Pavey.

Matters Arising
Colman Road – parking was discussed and is to be followed up
Cycle Path – there is currently no money available, Tesco funding needs to be followed up.
Assets of Community Value – registering the 2 pubs would prove to be too costly.
Website – discussion of what personal details should be shown on the website, It was voted for email and phone number, proposed Cllr B Groome and seconded Cllr G Armstrong, unanimous.
Defibrillator – Hopefully the defibrillator will be installed on Monday 8 February. Cllr B Groome presented a £70 cheque, funds that he has raised for the upkeep of the defibrillator.

Police Report for December & January
Vehicles on the car park at the playing field.
Horse box rather odd!!! I have contacted out of our force, for enquiries why it’s in Corton.
Saab 112BTV and Fiat WV53WMG still working on those two but I will put notices of Authority Aware, so the owners may move them but it’s not a public highway.
Any problems please ring 101

County & District Councillors Reports
There is an online survey for the Fire Service, it is recommended that as many people as possible look at the website and complete the questionnaire at http://www.suffolk.gov.uk/fireredesign. The link is also on the PC website. WDC K Patience.

Waterside Planning Application will be discussed at the planning committee meeting on 16 February at 6pm, Cllr P Armstrong to speak on behalf of the Parish Council and WDC Cllr M Rudd to speak on behalf of the residents.

Cycle Tour will be passing through Lowestoft.

**Planning Applications**

DC/15/2564/FUL - Waterside 20 bed hotel - status has been amended to Pending decision. Should be discussed at the next planning committee meeting 16 February

DC/15/4200/FUL - Raising of roof height including dormer window to provide first floor accommodation and construction of a single storey rear extension and front porch - 15A Mill Lane Corton Lowestoft Suffolk NR32 5HZ. Application Permitted after amendments

DC/15/4271/FUL - Construction of a single storey rear extension, including conversion of existing garage - 136 Corton Long Lane Corton Lowestoft Suffolk NR32 5HD. Application Permitted

DC/16/0034/FUL - Azure Seas. Resubmission of application for a second vehicular access on Corton Road - Corton Parish Council object to this application on the grounds of health and safety. The entrance would open onto a 40 mile an hour road on the brow of the hill on what is, at times, a very busy road. The majority of vehicles travel at speeds in excess of the limit, as is evidenced by the number of times the bollard, 80 metres down the road, has been destroyed.

DC/15/5093/FUL - Trotwood, Blundeston Road. Construction of a detached garage We have no objections to this

DC/15/5127/FUL - Broadland Sands. Siting of a steel container to contain a 240W biomass system
We have no objections to this

DC/16/0111/VOC - 4 Waterside Park. Change of use to year round occupation We have no objections with the proviso that it is not the primary residence

Meeting closed

**Public Forum**
A member of the public asked if there had been a planning application submitted concerning the Golf Course - this is unknown at the present time.
Meeting reopened

**Committee Representatives Reports**

**Playing Field Report**
We are decorating the pavilion at the moment and it's looking good. We had a choir hire it on Wednesday 26 January and we are waiting to hear if they require it again. Also, a birthday party was held Sunday 31 January and the feedback was good. We have ordered a shutter for the kitchen to separate it off. The field has been flooded but there were matches held on Saturday the 30 January. We have had a report that remedial works need to be done on the climbing frame, we have looked at costs for a new one and they are rather high, so will try to get funding. In the meantime we are in the process of finding a company to repair it.

Corton Poor's Land Trust and Corton Almshouse Charity
Summary of Meeting held on 13 January 2016
There are currently three plots available at the Corton allotments and the trustees agreed to offer these three plots to those on the waiting list. During the Corton Almshouse meeting, the trustees considered a number of maintenance issues, including boiler and damp problems. The quotation for the renewal of the annual maintenance of the home alarm system was considered and accepted. A bungalow had become vacant and the trustees agreed to advertise the vacancy in Coastline. The trustees considered the budget monitoring report for the previous quarter and also discussed the implications of the imminent charge that would be introduced for emptying green bins.
